## **Request for Quotations: Starlink Kits / Service Plan and Solar Power Systems**

Opening Date: August 20, 2024

Closing Date: Ongoing

### **1. General**

The Department of Health and Social Affairs (DHSA) of the Federated States of Micronesia (FSM) is seeking quotations for the supply and installation of 20 Starlink Kits and Solar Power Systems. This project aims to establish reliable internet access at outer island dispensaries, enhancing healthcare services in remote areas.

### **2. Specifications**

The selected supplier will be responsible for providing the following:

- **Starlink Kits/Service Plan:** Each kit must include a Starlink terminal, router, and all necessary accessories to ensure connectivity. The cost of the Starlink Service Plan will be inclusive of the package (preferably on 12-month intervals cost occurrence).
- **Solar Power Systems:** Each system should include:
  - **Solar Panels:**
    - High-efficiency panels sufficient to power the Starlink terminal and associated equipment continuously.
  - **Battery Bank:** Capable of providing up to 48 hours of backup power.
  - **Inverter:** Suitable for converting DC to AC power for the Starlink equipment.
  - **Mounting Hardware and Cabling:** All necessary components for secure installation.

All equipment must be pre-configured for standardized deployment, allowing for remote management by DHSA. The supplier must ensure secure packaging and transportation to the outer islands.

### **3. Eligibility**

Eligible suppliers must meet the following criteria:

- Proven experience in deploying satellite communication systems and solar power setups.
- Ability to provide support and management services.
- Demonstrated capability to handle logistics for remote and challenging environments.
- Compliance with all relevant local and international standards

#### 4. Format for Bid Submission

Quotations should be submitted in the following format:

- **A. Company Information:**
  - Legal name, address, and contact details of the supplier.
- **B. Technical Specifications:**
  - Detailed specifications of the Starlink Kits to include Service Plan and Solar Power Systems.
  - Description of pre-configuration, testing, and packaging processes.
- **C. Financial Quotation:**
  - Itemized cost breakdown for the equipment, service plan, transportation, and additional services.
  - Total cost quotation, including any applicable taxes and fees.
- **D. Delivery Schedule:**
  - Proposed timeline for supply, transportation, and readiness for installation.
